Opis produktu

CARE by PanzerGlass Feature FLOW MagSafe Case for iPhone

Maximum protection in a minimalist style

CARE by PanzerGlass® Flagship Case Transparent Urban Explorer is a bestseller in the brand's range, created for people who expect a combination of top-quality protection and aesthetic appearance. **Made from 100% recycled materials**, it ensures full compatibility with MagSafe wireless charging, while its **transparent design** highlights the smartphone’s natural look. The material used in production **does not yellow** even after a long time, guaranteeing a durable, elegant appearance for your device.

Premium-class protection

The case has been tested according to the **4x Military Grade Standard (MIL-STD-810H)** and **withstands drops from heights of up to 4.8 meters**, protecting your device from impacts, shocks, and everyday accidents. In addition, it features **advanced camera protection** that shields the lenses from scratches and damage, so you can use your phone’s full photographic capabilities without worry. It is a reliable choice for people who value safety and functionality in every situation.

A conscious choice for a better future

Flagship Case Transparent Urban Explorer is a product that combines technology with care for the environment. The case is **Global Recycled Standard (GRS) certified**, and its production is carried out in accordance with the **ISO 14064** standard, which monitors CO_2 emissions. Each unit is delivered in paper packaging with **FSC™ certification**, suitable for recycling. It is proof that you can choose a product that both protects your smartphone and supports sustainable consumer choices.
