Opis produktu

PanzerGlass X-Ray Soft BasicCase

Light and slim protection

PanzerGlass CARE Case Fashion X-Ray Soft Basic case for iPhone was created for users who value minimalism and reliability. Its **transparent design** highlights the phone’s original appearance while protecting it against scratches and everyday damage.

Durability and comfort of use

Made **from soft, flexible TPU material** sourced from recycled materials, the case fits the device perfectly and provides easy access to all buttons. The material is **resistant to minor scratches**, while its **flexible structure** improves protection against impacts and drops from low heights.

Eco-friendly approach to protection

CARE by PanzerGlass series combines technology with care for the environment. **X-Ray Soft Basic** is made **entirely from recycled materials**, and its packaging is made of paper **with FSC™ certification**. It is a conscious choice for people who want to protect their phone in a stylish and responsible way.
